Musicianship

Musicianship classes are essential to the student's awareness of all the elements of music. This class will help students develop music reading and rhythm skills, learn about famous composers, listen to and learn about music from the world.

Fun with the Instruments Piano, Ukulele, African drum etc.)

Students will be introduced to different instruments including piano, guitar, world percussions, learn to read the notes and recognize the keys/strings, basic techniques of playing, including individual and group instructions. (Private coaching will be provided if your

child is not a beginner)

The Voice Kids

Sing together, sing for fun! This program offers the children a unique experience of music and performing. Students gain the ability to express themselves, build confidence, explore their imagination and develop basic social skills while learning singing, movement, together with theatre concepts and terminology.

Outdoor Adventures

Outdoor activities every day, including playground, sports game etc.

Field Trips

Science World, Vancouver Library, City Hall, Vancouver Biennale
